

## American Concrete Institute Wisconsin Chapter

### ***Pier Wisconsin Jobsite Tour & Talk***

Thursday, January 19, 2006

### ***Welcome! Past Presidents and Spouses, and WSPE and ASCE SE Guests***

Lora Strigens of HGA Architecture/Engineering/Planning will conduct a tour of the new Pier Wisconsin project currently under construction at Milwaukee's Lakefront, scheduled for completion later in 2006. A presentation will follow at dinner to discuss the highlights of this new home for Wisconsin's flagship, the Schooner S/V Denis Sullivan, and the Discovery World Museum. The entertaining and informative evening will surely be enjoyed by all. Results of the ACI Wisconsin Board voting will also be announced.

**Date:** Thursday, January 19, 2006

**Locations:** Pier Wisconsin jobsite and Pieces of Eight Restaurant, Milwaukee

**Parking:** Park at the restaurant, walk across the street to the jobsite; or, the O'Donnell Park parking structure is across Lake Drive, parking fees apply.

**Tour:** Arrive for sign-in at **4 pm**. Come with hard-soled shoes, bring hard hat if possible, a limited amount of hard hats will be available to borrow; building will be enclosed, but may be chilly, so dress appropriately.

**Social:** 5:00 pm, cash bar at Pieces of Eight

**Dinner:** 6:00 pm Buffet: Prime Rib Tips and Lemon Pepper Mahi Mahi; salads, veggies, rolls, coffee, dessert

**Program:** 7:00 pm, presentation on the highlighted features of Pier Wisconsin

**Cost:** Members and Guests - \$35.00; Students - \$25.00

**Please make reservations by January 13.** No-shows will be invoiced. Substitutions are allowed and encouraged. E-mail name, company and spouse's name if they will be joining us, to [andrea.breen@lafarge-na.com](mailto:andrea.breen@lafarge-na.com) (preferred), or call at 414-750-1229. We invite members and spouses, and extend a special invitation to past presidents of the ACI Wisconsin Chapter, as well as our special guests, the members of WSPE and ASCE SE Branch.

Restaurant is located at I-794 at the Lakefront exit, 550 North Harbor Drive. Drive south on Lake Drive from points north, or exit off of I-794 at the Lakefront, turn onto Harbor Drive, you will see the Milwaukee Art Museum to the north of both the restaurant and Pier Wisconsin.
