
WRMCA BOOKSTORE RESOURCE ORDER FORM

Title: Arch. & Decorative Concrete Promo Brochures

WRMCA Member Price: \$30/package of 25

Abstract: This attractive and informative 4-page 8.5"x11" promotion brochure illustrates how advanced technology and techniques make concrete an even more versatile design choice. The brochure explains how concrete is enhanced by an ever-broadening array of textures, and an extensive palette of long-lasting colors and finishes, ensuring that there is an attractive, cost-effective architectural concrete choice to complement every style.

I would like to order ____ package(s) of the *Arch. & Decorative Concrete Promo Brochure* flyers.
