

The Program

This training course offers instruction in the fundamentals of concrete testing procedures. Emphasis is placed upon practical information and skills which will help quality-control and testing personnel do their jobs more efficiently and accurately to ensure consistent, good quality concrete and reliable test results. ASTM C94 requires anyone testing concrete in the field to be certified through an ACI—equivalent program - this WRMCA program is the only such program offered in Wisconsin.

The course involves a morning classroom session and instruction in basic concrete materials and concrete testing procedures: slump, air, yield, temperature, measurement, rollameter and cylinder casting. After the lecture, a written exam is given. The afternoon field test session includes demonstrations and practice in proper concrete testing procedure. An examination will be given and requires each participant to carry out the proper testing procedures for slump, air content, yield temperature measurement, rollameter, and cylinder. **YOU MUST BRING A CALCULATOR.**

Who Is Invited

This course is open to technicians employed by concrete suppliers, contractors, testing lab personnel, government agency personnel, and other individuals employed in the construction industry.

NOTE - please dress in casual wear - boots, jeans, sweatshirts - the field testing is hands-on.

Program Times

Eagle River, Green Bay, & Madison

Registration begins at 7:00 AM
Lecture begins at 7:30 AM
Written Exam at 11:00 AM
Lunch at Noon
Field Test begins at 1:15 PM

Milwaukee & Rice Lake

Registration begins at 8:00 AM
Lecture begins at 8:15 AM
Written Exam at 11:30 AM
Lunch at 12:30
Field Test begins at 1:45 PM

How To Register

Complete the enclosed registration form. If paying by check, make check payable to WRMCA. Mail the form and payment to:

WRMCA
44 E. Mifflin Street, Suite 305
Madison, WI 53703

Or you can fax your registration form with your credit card number to 608-250-6306.

Website - go to www.wrmca.com for class information.

Cost

Full registration:

WRMCA Member-\$325

Non-Member- \$425

Full-time Student- \$225

(must send a copy of student ID with registration)

Partial registration:

Written only-\$180

Field test only-\$195

Written only-\$230

Field test only-\$245

Written only- \$110

Field test only-\$115

Deadlines

This class is limited to 30 people per course, on a first-come, first-serve basis. **No phone or email reservations accepted. Registration forms and payment must be received 7 days prior to course date.**

About WRMCA

The Wisconsin Ready Mixed Concrete Association is a state trade association of ready mixed concrete producers and associate members. The WRMCA provides legislative, educational and promotional services to its members and the industry.

If you would like more information or are interested in becoming a member, please call the WRMCA office at 608-512-1292 or email, knovak@wrmca.com
