Concrete Technician/Finisher

Certification Requirements:

- **Technician** - Passing grade on the written examination of at least 70% (can upgrade to finisher when complete work hours)
- **Finisher** - Passing grade on the written exam of at least 70%, plus a minimum of 3 years [4500 hours] work experience in finishing concrete flatwork (includes ACI evaluation of signed affidavits verifying experience; forms distributed at the session)

Times:

Friday, March 16 **8:00-5:00 pm Part 1**
Friday, March 23 **8:00-5:00 pm Part 2 & Exam**
(The written exam is the same for technician or finisher certification.)

Instructors:

ACI Concrete Flatwork Trained Instructors of the Wisconsin Ready Mixed Concrete Association

Cost: (includes the exam) \$300 per person
For test only: \$150 per person

Location: Cabela's, 1 Cabela Way, Richfield

The ACI Concrete Flatwork Certification is approved for 11 hours of credit with the Department of Safety and Professional Services for Dwelling Contractor Qualifier Certification.

WRMCA's Southeast Region is hosting lunch both days.

Recertification:

If your original certification has not expired by more than 90 days, you must pass the current written exam on the first attempt to be recertified. If certification has expired by more than 90 days, you must successfully complete both the current written exam and a performance evaluation.

Please note the class size is limited to 30.
