

## The Program

ACI Laboratory Technician Certification Program

## Certification Level

Concrete Strength Testing Technician is an individual who has demonstrated the knowledge and ability to properly perform, record, and report the results of four basic ASTM laboratory procedures related to the determination of concrete compressive and flexural strength.

## Scope & Knowledge

The program requires a working knowledge of the following ASTM Standards:

**C617**-Capping Cylindrical Concrete Specimens

**C1231**-Unbonded Caps for Concrete Cylinders

**C39**-Compressive Strength of Cylindrical Concrete Specimens

**C78**-Flexural Strength of Concrete

## Certification Requirements

Certification will be granted to those with

- 1.) A passing grade on the written examination; and
- 2.) Successful completion of the performance examination.

The one hour written examination consists of 40 multiple choice questions. There are at least 8 questions on each of the ASTM Standards. To pass the exam you must have: at least 60% correct for each of the required standards, and a minimum score of 70% overall. The performance examination requires demonstration of the required ASTM Standards. Recertification is required every 6 years, and requires completion of the written and performance examinations.

## Study Materials

The Technician Workbook for ACI Certification of Concrete Strength Testing Technician will be distributed the morning of the class.

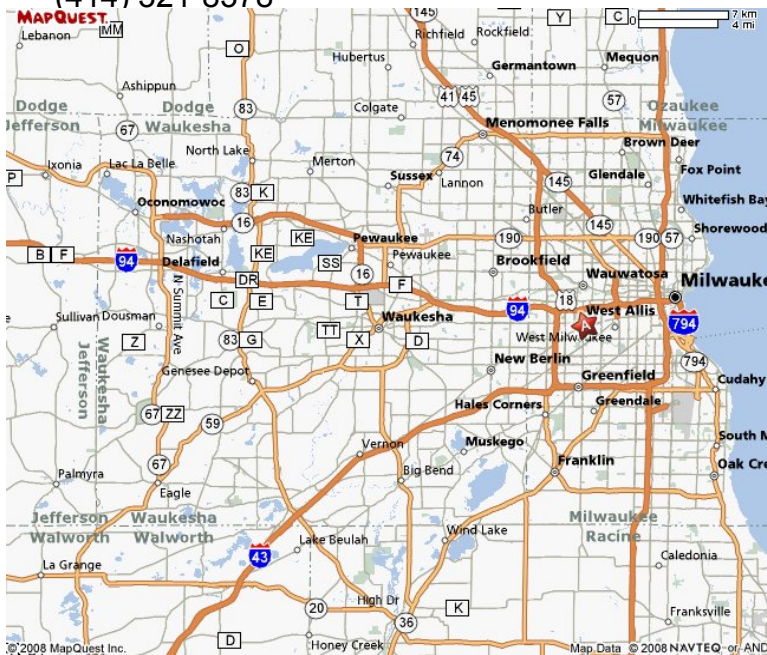

## LOCATION

### GeoTest, Inc.

2135 S. 116th Street

West Allis, WI 53227

(414) 321-8378

## How To Register

Complete the enclosed registration form. Payment must be received in order to be registered. No phone or email registrations accepted. If paying by check, make check payable to WRMCA. Mail the form and payment to:

### WRMCA

16 N Carroll Street

Suite 925

Madison, WI 53703

Or you can fax your registration form with your credit card number to **608-250-6306**.

Website - go to [www.wrmca.com](http://www.wrmca.com) for Certification information.

## Program Times

Registration begins at 7:00am Lunch at 12:00 pm

Lecture begins at 7:30am Field Test begins at 1:15 pm

Written exam at 11:00am

## Cost

### ACI-Strength Testing Technician Training Class

Written and Performance Exams

WRMCA Member \$325

Non-Member \$425

### Retest Only

Written and Performance Exams

Member \$275

Non-Member \$375

## Deadlines

Class size is *limited* so register today!

Registration deadline is January 29, 2009.

## Directions to GeoTest, Inc.

Geo Test, Inc. is located at 2135 S. 116th Street in West Allis.

**From the Northeast** start out going south on **I-43** via the ramp to **Milwaukee**. Take exit **72B** to merge onto **I-94W** toward **Madison**. Take exit **305A** on the **left** to merge onto **I-894 E/US-45 S**. Take exit **1E** for **Lincoln Ave**. Turn **right** at **W Lincoln Ave**. Turn **right** at **S 116th St**.

**From the Northwest** start out going east in **I-94E**. Take exit **138A** on the **left** to merge onto **I-94E** toward **Milwaukee**. Take exit **304A-B** for **State Hwy 100**. Turn **right** at **S 108th St/WI-100**. Turn **right** at **W Greenfield Ave/WI-59**. Turn **left** at **S 116th St**.

## About WRMCA

The Wisconsin Ready Mixed Concrete Association is a state trade association of ready mixed concrete producers and associate members. The WRMCA provides legislative, educational and promotional services to its members and the industry.

If you would like more information or are interested in becoming a member, please call the WRMCA office at 608-250-6304 or email, [info@wrmca.com](mailto:info@wrmca.com)
