

What You Will Learn

In this exciting and dynamic day and a half event, sessions have been tailored to:

1. Understand how health, safety and environmental rules and regulations have changed.
2. What you can do to maximize safety and environmental performance for your organization.
3. Provide up to date important health, safety and environmental essentials.
4. Learn a whole lot of cool stuff and have fun doing it!

Presenters will be represented by OSHA, WisDOT, Wisconsin Consultation and members of your OES committee.

Don't miss out on this excellent opportunity to enhance knowledge and network with peers.

Who Is Invited

This workshop is open to anyone in the concrete industry with exposure to the job. This includes, but not limited to: ready mixed company owners, drivers, batch persons, trainers, sales, quality control, safety, environmental and human resource personnel. All employees within organizations are encouraged to attend. Non-members of the WRMCA are encouraged and welcomed to attend.
