What You Will Learn

In this exciting and dynamic day and a half event, sessions have been tailored to:

Understand how health, safety and environmental rules and regulations have changed. What you can do to maximize safety and environmental performance for your organization. Provide up to date important health, safety and environmental essentials.

OSHA Back to Basics

- Inside OSHA: A look at the OSH Act, Employer/Employee Rights and Responsibilities, How OSHA Conducts Inspections, and a look at what OSHA finds Redi Mixed Facilities and other frequently cited violations. An OSHA Update.
- Chipping & Lock Out Operations: Information on periodic inspections including Industrial Hygiene, Silica and Noise.
- Special topics: Recordkeeping and Ergonomics

Hands on DOT Inspection/Audit

- DOT Part I & II: Hands on training for how to be prepared for DOT inspection including information on how CSA 2010 will effect motor carriers and drivers.

Environmental Update

- Prepare yourself-protect your business discussion will cover changes to EPA and DNR regulations/permits

You will take back tools, training and education to your individual members companies.

Deadlines

Seating is *limited* so register today!

Registration deadline for the OES Workshop is January 27, 2010.
