

WRMCA South Central Region Concrete Seminar

The 2009 educational seminar sponsored by the South Central (Region One) members of the Wisconsin Ready Mixed Concrete Association will feature the following:

- Quality Concrete Practices
- Hot & cold weather concrete placement
- Curing & sealing concrete
- Crack control
- Troubleshooting
- Decorative Concrete - stamped, colored, stenciled, and stained

Who should attend? The seminar is targeted for ready-mixed producers, contractors, specifiers, municipalities, finishers, architects, and engineers.

Dan Large, Propex Concrete Systems Dan has 25 years experience in the concrete industry. Dan is Territory Manager for Propex Concrete Systems. He serves on the Wisconsin Ready Mixed Concrete Association Board of Directors and he is the association's Technical Committee Chairman.

John Morgan, Euclid Chemical Company John is the Southern Wisconsin representative for Euclid Chemical Company, manufacturer of concrete admixtures and construction products. John is a Board Member for the Wisconsin Ready Mixed Concrete Association, a member of the WRMCA Technical Committee, and is ACI Level I and Wis DOT Tech II certified.

You won't want to miss the opportunity to network with associates in the exhibit area and view the newly created Concrete Placement and Care DVD!

For more information, please contact the WRMCA at 608-250-6304 or cschwenn@wrnca.com.
